About the America's Promise Alliance

America's Promise Alliance is the nation's largest partnership alliance comprised of corporations, nonprofit organizations, foundations, policymakers, advocacy and faith groups committed to ensuring that children receive the fundamental resources - the Five Promises – they need to lead successful, healthy and productive lives and build a stronger society. Building on the legacy of our founder General Colin Powell, the Alliance believes a child's success is grounded in experiencing the Five Promises - caring adults; safe places; a healthy start; an effective education; and opportunities to help others - at home, in school and in the community.
