

STRIVE[®]

PREPARED
TO WORK
DETERMINED
TO SUCCEED

STRIVE is the nation's leading solution for people who face the biggest obstacles to employment. Our model propels students into careers that lead to upward mobility and the promise of the American Dream.

**When people are determined to lift up their lives,
STRIVE provides the path to a career that changes everything.**

STRIVE helps people seeking a better life acquire everything they need to find sustained employment. Our model equips our students with the skills, attitudes, and resources they need to not just get a job, but obtain employment with career growth opportunities. Our unique attitudinal training, long-term wraparound support, and transformative approach ensure that the majority of graduates go on to gain meaningful employment and achieve economic self-sufficiency.

FUTURE LEADERS

STRIVE Future Leaders, our innovative program for justice-involved young adults, engages young adults in occupational skills training, pre-apprenticeships, and work experience that lead to industry-recognized credentials. This program goes beyond mere job readiness, building up our students' social-emotional competencies to foster their growth into thriving adults.
